The Collaborative Delivery Partner

Michael Jon Associates Ltd is a privately owned company formed in 2011. We provide independent high quality Contract, Cost, Project, Design & Quality Management services to organisations such as Network Rail, Transport for London, Crossrail, EDF Energy, Mace, Balfour Beatty, Costain and a number of Industrial Partners operating in the Infrastructure, Energy, Building & Manufacturing sectors.

We offer practical & professional solutions born out of many years of experience. Our staff and associates are all time served professionals with substantial frontline exposure at Intermediate, Senior and Director levels. We are located across the UK, with a HQ in London, regional offices in Swindon, Reading, Cardiff and affiliated locations in Manchester & York.

MJA advocate an "experience first" business ethos and the quality, depth and strength of its people found across their operational centres, enables us to mobilise quickly and provide the client a proactive, responsive & straightforward approach without any restrictions or affiliations to a parent company or board.

As a result MJA can also embed their resources within client organisations when required and embrace their Client's culture, values and vision without compromise.

MJA enjoy a large amount of repeat business and consistently high client satisfaction scores.

We believe that we offer the organisational strength, depth and credibility to be trusted advisor for the long term.

MJA believe they can be the point of difference for their client.
